Medical "How-to's"

Equipping Volunteers

**This is a practical, hands-on seminar that will answer your questions and equip you to implement STI Testing and Treatment in your**

### **2014 Seminar Schedule:**

**March 6th & 7th, July 17th & 18th, November 13th & 14th**

**This training is ideal for medical team members and center directors.  
Only 3-4 centers will be trained at each seminar, so sign up now to secure your spot!**

**From marketing your program, to educating your clients about STIs, to equipping your volunteers for the transition...this seminar is just what you've been looking for.**

### **Here is what attendees have said about this seminar:**

- *"I've never attended a conference that was this inclusive!"*
- *"It was amazing to learn how STI testing can bring in more opportunities to minister to more women and men also."*
- *"It was so helpful to be able to see the operation run—the flow of clients and care—it has helped us finally take this from theory to practice."*
