

Is it time to take your center's medical services to the next level?

- ▶ **Interactive Sessions lead by Karolyn Schrage RN, BSN & Mischa Long RN, BSN**
- ▶ **Practical, Hands-On Training**
- ▶ **Downloadable Resource Kit with easy-to-customize forms, policies/procedures, standing orders & more!**

This is a practical, hands-on seminar that will answer your questions and equip you to implement STI Testing and Treatment in your clinic!

2015 Seminar Schedule:

March 26th & 27th, July 16th & 17th, November 5th & 6th

This training is ideal for medical team members and center directors.

From marketing your program, to educating your clients about STIs, to equipping your volunteers for the transition...this seminar is just what you've been looking for!

Here is what attendees have said about this seminar:

- *"I've never attended a conference that was **this inclusive!**"*
- *"It was amazing to learn how STI testing can bring in more opportunities to minister to more women and men also."*
- *"It was so helpful to be able to see the operation run—the flow of clients and care—it has helped us finally take this from theory to practice."*
